

2019 CLOS CANTENAC L'EXUBERANCE ROSÉ

Review Summary

88 pts “The 2019 L'exuberance Rosé, pure Merlot planted on deep limestone soil with just under 2g/l residual sugar, has a forward and expressive nose of orange blossom, lanolin and red cherries, just a touch of pink grapefruit in the background. The palate offers upfront red cherries mixed with mandarin and grapefruit, a bitter orange peel and undercurrent lending tension with appealing persistency on the finish. This is worth seeking out.”
