

2017 PENLEY ESTATE STEYNING CABERNET SAUVIGNON

Review Summary

95 pts “Small open fermenters, part extended maceration, part completed primary fermentation in barrel (60% new). Very well made, no chasing of needless alcohol in a cool vintage. This is a delightfully ripened, medium-bodied cabernet, its balance faultless, blackcurrant fruit to the fore.”

93 pts “A juicy and velvety red with plums, crushed berries and hints of spice. Full body, soft tannins and a flavorful finish.”

92 pts “This is classic Coonawarra. Purple and red fruit mingle with earthy, herbal notes, along with a briney streak black olives and subtle charred vegetable notes at the back. The powerful palate is somewhat austere, wound by raspy tannins, but there’s a lift of juicy currant and plum fruit alongside a flicker of oak in a supporting role. An ideal steak wine for drinking now until 2028.”
