

2019 GREYWACKE SAUVIGNON BLANC

Review Summary

GREYWACKE
Kevin Judd

95 pts “Ripe, almost luscious sauvignon blanc with tropical fruit, guava, melon, lime and red capsicum flavours supported by an ethereal texture. A delicious wine, skillfully made from grapes harvested in a very good vintage.”

Bob Campbell, MW

93 pts “Attractive, lime-laced fresh cream and subtly waxy, grassy aromas, too. The palate has attractive passionfruit and lime flavors with smooth and gently minerally build. Holds long. Passionfruit finish.”

92 pts “This Sauvignon is neither flamboyant in its aromatics nor firm in its structure, but quietly understated, like its maker – and it is all the better for it. The pure and delicate flavors include apple and elderflower. The aromatic intensity has had the volume turned down to a pleasing hum thanks to 20% wild fermentation. Light in body, displaying lovely balance and poise.”

92 pts “The always delicious Greywacke Sauvignon Blanc has once again come through as an excellent wine. The 2019 vintage is wildly appealing. TASTING NOTES: This wine exhibits signature aromas and flavors of dried herbs, citrus peel, and fresh grapefruit. Enjoy it with a dozen raw oysters.”

91 pts “This wine shows oodles of bright citrus, melon, stone fruit, green tea, tomato leaf and white spice characters. The laser-sharp acidity provides a beautiful balance to the slippery, creamy texture, keeping the fruit bright and tangy.”

91 pts “Subtle scents of snap peas mark the nose of the 2019 Sauvignon Blanc. There’s passion fruit as well, plus pink grapefruit and a slight crushed tomato-leaf component. It’s similarly complex on the palate, where it’s medium-bodied, with a strong core of grapefruity acids that give it backbone and length.”

Joe Czerwinski
Robert Parker Wine Advocate

91 pts “Another star from Kevin Judd, one of Marlborough’s pioneering winemakers. Deliciously ripe and vibrant flavours of white nectarine, mandarin, papaya and fresh herbs open up and get better in the glass, enlivened by zingy lemon peel acidity. Oozes class! For an extra £10, the 2017 Wild Sauvignon (which undergoes up to six months of wild-yeast fermentation in old barriques) might be too funky for some but is also top quality.”

December 2019

90+ pts/VERY GOOD “This almost clear colored Sauvignon Blanc from Greywacke opens with a musty wet stone bouquet with hints of gooseberry, petrol and faint lime. On the palate, this wine is medium bodied, slightly acidic and kinda round. The flavor profile is a pleasant mild flinty minerality and lime blend with hints of grapefruit and nectarine peach pit. The finish is dry and drifts away nicely.”

Tina Gellie
Decanter Magazine
December 2019

90 pts “White grapefruit, pear and lime sherbet flavors are crisp and bright, showing off aromatics of white flowers and matcha, leaning into a note of citrus pith and saline on the finish.”
