Greywacke
SAUVIGNON BLANC
2019

“Neither flamboyant in its aromatics nor firm in its structure, but quietly understated, like its maker - and it is all the better for it. The pure and delicate flavors include apple and elderflower. The aromatic intensity has had the volume turned down to a pleasing hum thanks to 20% wild fermentation. Light in body, displaying lovely balance and poise.”

*Rebecca Gibb MW, Vinous
