

2019 COEUR CLÉMENTINE ROSÉ

Review Summary

91 pts “The 2019 Coeur Clémentine Cotes de Provence is an excellent example of the Old World. TASTING NOTES: This wine offers lively aromas and flavors of dried spices, clean rustic notes, and tart apricots. Serve it with a steamed rock cod with dried chiles and fermented black beans.”

88 pts/VERY GOOD “This French kitchen sink rose blend is a medium coppery salmon color which has pear, honeydew, strawberry along with some honeysuckle and cut grass in the bouquet. It has a light body and is dry with refreshing medium acidity; it is quite youthful. There are flavors of green apple, grapefruit, strawberry and nicely integrated minerality. The mineral-drive finish is moderate in length. The acidity would complement a shrimp and avocado ceviche appetizer.”
