

2017 d'ARENBERG THE STUMP JUMP RED

Review Summary

91 pts/BEST BUY “Ripe, fleshy blueberries and raspberries drive this red blend without too much oak getting in the way. There’s an underbelly of flowers, cinnamon and peppery spice. The tannins are typically muscular, the fruit is juicy, silky and fresh.”

89 pts/BEST VALUES “Robust wild berry, plum, licorice and roasted herb flavors show a tangy blood orange note on the muscular finish, where cedar, tobacco and black walnut details linger with hints of spice.”

89 pts “Attractively-scented wine with dark berry compote, spice and vanilla flavours with a seasoning of dried herbs. An approachable, easy-drinking red in a charming and slightly rustic style.”
