

2018 GREYWACKE PINOT GRIS

Review Summary

GREYWACKE

Kevin Judd

91 pts “An opulent Pinot Gris with its full-bodied, voluptuous texture. Despite the difficult weather conditions, this wine has overcome the season’s challenges; there are rich flavors of jasmine, honey, figs, roses and pears. More sumptuous than sleek, with just enough grip on the finish to provide structure.”

90 pts “Aromas of poached pear, baked apple and dried apricot, as well as some smoky elements. The palate has a soft, smooth-honed and sturdy feel. Peach and pear flavors abound.”
