

2020 CHÂTEAU SÉRAPHINE

Review Summary

94 pts “The 2020 Séraphine was picked from September 10 and matured in 40% new oak plus one 1,000-liter clay amphora. It has an expressive bouquet of blackberry, violets, fig and light truffle scents, all well defined and quintessentially Pomerol. The palate is crisp and fresh on the entry, delivering fine-grained tannins and very well-judged acidity that lends tension and poise. Smooth in texture, it gains weight and grip toward the finish, completing one of the best Séraphine to date. Superb.”

93-95 pts “This wine is made from 100% Merlot and is being aged in French oak barrels, 40% new, for 12-14 months, with a portion fermented and aging in a 1,000-liter clay amphora. The alcohol came in at 14%. Deep garnet-purple in color, the 2020 Séraphine sashays out of the glass with gorgeous notes of candied violets, dark chocolate-covered cherries and raspberry preserves over a core of juicy black plums and fertile loam, plus a waft of truffles. The medium to full-bodied palate is packed with earth-laced muscular black fruits, supported by firm, ripe, grainy tannins and seamless freshness, finishing long and mineral tinged..”
