Leeuwin Estate
ART SERIES
CABERNET SAUVIGNON
2017

“Wow. Silky smooth aromas of red berries, grey minerality (granite, graphite etc) and breaths of oceans air whispered about. The palate is exactly as the nose promises, elegant and refined. Length of flavor is where this really kicks into gear, extending seamlessly across the palate, lingering and swirling in its profile. Beautiful, classical cabernet from a cool vintage.”

Erin Larkin, Halliday Wine Companion
