

2015 CULLEN WINES VANYA CABERNET SAUVIGNON

Review Summary

99 pts/James Halliday's Top 50 Wines of 2018 - #9 "This is a truly beautiful and graceful cabernet. Its purity of varietal fruit expression, its perfect fruit/oak/tannin balance and its length are exceptional."

97 pts "Bright ruby-red. Vibrant, finely chiseled red berry, cherry, floral and exotic spice aromas take on mineral and musky earth nuances with air. Lithe, impeccably balanced and focused in the mouth, offering sappy, penetrating red fruit, floral pastille and spicecake flavors that turn sweeter and steadily deepen with air, with no loss of energy. Shows superb clarity, definition and floral-driven thrust on a strikingly long, seamless finish that leaves juicy cherry and red berry notes behind. This graceful wine was fermented in clay amphoras and aged for just five months in French oak barrels, two-thirds of them new."
