

2018 BROKENWOOD HUNTER VALLEY SHIRAZ

Review Summary

BROKENWOOD
AUSTRALIAN CRAFT AT ITS FINEST

94 pts “Very bright, youthful, deep purple/red colour. The bouquet is restrained and shows dried herb nuances, the palate medium to full-bodied and intense, with elegance and restraint as well as penetrating flavour and a long carry. A big, bold, concentrated wine with abundant tannins and loads of ageing potential.”

92 pts “Ripe red-plum and berry aromas feature here, with spicy, fresh oak influence that’s nicely tailored to the fruit. The palate has a rich, red and blue-fruit core and very velvety tannins that fill out the palate. Some blackberry to close. A plush, popular style of Hunter shiraz.”
