

2018 YERINGBERG SHIRAZ

Review Summary

95 pts “For Yeringberg, one of the Yarra Valley’s founding wineries, 2018 has proven a stellar vintage. This Shiraz could cellar nicely for several years but is drinking beautifully right now. There’s high-toned black and red-berry fruit, licorice, baking spice and a citrus dusting polish note. It has a crunch of acidity and a juicy purity of fruit. The tannins are uniquely textured and savory.”

95 pts “Such an elegantly spicy style of cooler-climate shiraz, this has aromas of fine white pepper and hard brown spices, across red plums, raspberries and blackcurrants. The palate is so fresh, long and fine with a really elegant, silky feel and such seamless length. Red plums and blueberries, as well as some darker fruit. Fresh finish.”

92 pts “Generous, with terrific focus and purity to the kirsch, wild berry and plush apricot notes. Aromatic details of Earl Grey tea, rosemary and black pepper and plush, velvety tannins give this an air of elegance and persistence on the finish.”
