**PROFILE:** Founded in 1997 by Kevin Mitchell, Kilikanoon is a boutique Clare Valley winery with an international reputation for producing regionally expressive, terroir-driven wines. The Kilikanoon property, featuring a circa 1860s stone cottage housing Kilikanoon's tasting room, was originally settled by early English migrants who named it after an historic old mansion in Cornwall. On purchase of the historic property in 1997, mature vineyards of Shiraz, Cabernet, Grenache and Riesling that had been planted by Kevin's father, Mort in the 1960s, became a part of Kilikanoon, and now form the heart of the estate vineyards. Peter Warr joined the winery in late 2018 after traveling the world honing his craft and is now responsible for carrying on Mort and Kevin's legacy at this treasured Clare Valley estate. Kilikanoon is rated by US and Australian critics as one of the Clare Valley's outstanding wineries, producing bracingly intense and long-lived Rieslings, along with powerful, yet balanced Shiraz, Grenache and Cabernet Sauvignon.

**VITICULTURE:** With around 50 wineries producing less than 2% of the Australian grape crush, the Clare Valley remains boutique in stature and philosophy, despite developing an envied reputation for producing mineral-driven, age-worthy Riesling and Shiraz. Altitude, aspect, and position within the Clare create unique micro-climates, though it is the universally cool afternoon breezes that are key in providing long, slow ripening conditions in this warm climate. Kilikanoon boasts access to the best of the Clare, yet the nuclei of the Kilikanoon vineyards are those planted by Kevin's father, Mort, in the Leasingham sub-district. Affectionately known as the "Golden Hillside," this unique site boasts a terroir of rich red loam soils over free-draining limestone and plentiful sunshine that has kept the vines flourishing for 50 years. These terra rossa soils are renowned for producing long-lived Rieslings of distinct minerality, and spicy, dark-fruited reds of great intensity and earthiness.

## THE WINES

Intense, dry Riesling and strikingly fragrant Shiraz are the hallmarks of the Clare Valley. The Rieslings have been known to age beyond 20 years, developing toasty, honeyed notes to complement their long, fine acid structure. The fine Shirazes likewise display power and finesse, underpinned by silky tannin structure offering great aging potential.

**WINEMAKING:** As the descendent of a long line of Clare Valley grape growers, founder Kevin Mitchell holds a passion for terroir, particularly that of the beautiful Clare, with its steep north-south ranges and austere slate escarpments. The Kilikanoon winemaking philosophy focuses on minimal intervention, letting the family's mature vineyards shine. This means no fining, clarification or filtering; the wines settle themselves. Likewise, intensity of flavor, achieved through low yields, will not be compromised. A steadfastness to these principles offers the Kilikanoon wines a robustness of flavor and texture that is present across the entire range, defining and setting them apart from their peers.
