**Devil's Corner  
CHARDONNAY  
2021**

**2020 vintage: 92 pts**

"This is a well-priced Chardonnay that champions the distinct character of Australia's coolest climate winegrowing region. It offers flavors of melon, peach, ginger and toasty oak nuances. It's both corpulent and refreshing, linear and crisp, with a salty mineral note adding complexity to the fleshy fruit and spice flavors."
