

## 2016 CLOS CANTENAC

### Review Summary

**90-92 pts** “The 2016 Clos Cantenac is a 100% Merlot picked from 21 September to 7 October, aged in 45% new oak barrels for 12 months. It has a concentrated bouquet with blackberry and cassis notes, just a hint of raisin, the oak neatly integrated. The palate is medium-bodied with black cherries, blueberry and loganberry. I appreciated the tannin structure here and the acidic drive that reins in the finish and keeps it on track. This should be well worth investigating once in bottle.”
