

2018 ROBERT CRAIG SPRING MOUNTAIN CABERNET SAUVIGNON

Review Summary

95 pts “Fragrant nose of blackcurrants, plums, cherries, bay leaves, pine needles, graphite and spice box. Full-bodied with firm, chewy tannins and bright acidity. Expressive and structured with a deep, concentrated core of dark fruit. Long and seamless.”

94+ pts “The 2018 Cabernet Sauvignon Spring Mountain District is laced with the essence of red/purplish fruit, lavender, spice and blood orange. It is also one of the most reticent wines in this lineup, which is unusual for this bottling. I would give this mid-weight Cabernet Sauvignon a few years to soften, as it is quite nervy in the early going. There is a good bit of depth, it just needs time to emerge. This Spring Mountain Cabernet is sourced entirely from Crowley.”
