VINTAGE: The 2017 harvest was the first in the area following a 5 year drought. The soils and water table had been replenished and the vines took off early in the season and weather patterns were about normal until late August. In early September heat spikes hit the valley and set record or near record temperatures. With plenty of water available most vineyards were heavily irrigated and the temperatures cooled in mid-September to more normal levels. The quantity of grapes was quite low but quality looks to be excellent. A huge wildfire at the end of harvest threatened vines that still had fruit but luckily the vast majority of grapes were already safely in the winery for the year.

TERROIR: Just down the road from the estate, Candlestick Ridge is the northernmost vineyard in the Howell Mountain AVA and is slightly warmer than the summit ridge where the Winery Estate vineyard lies. Candlestick is influenced by warm air from Pope Valley to the east and - at its slightly lower elevation - it is protected from the constant wind that hits the ridge line. The big subsurface boulders were removed during the replanting, leaving thin tufa soil on top of a rocky volcanic bedrock.

TASTING NOTES: The 2017 Cabernet Sauvignon The Stick, a Cabernet Sauvignon blend is dense, powerful and beautifully concentrated. The nose is perfumed with luxuriant aromas of black currant, boysenberry, cedar box and Herbes de Provence. The intensely layered palate excites with cassis, plum, and graphite. Rich and seductive with a velvety texture finishing long and perfumed.
