Greywacke
PINOT NOIR
2019

“The 2019 Pinot Noir is an impressive, broody, rich wine with a smoky, meaty personality.... The depth of fruit carries the smoky bacon-like oak flavors and acts as a counterpoint to the sweet red cherry and floral notes. The finish is dry, savory and relatively robust. I rather like this for its “no guts, no glory” attitude. Best Greywacke Pinot yet? Probably.”
