WHAT WE DO: Old Bridge Cellars imports, produces and markets wines from a handful of fiercely independent wineries in the world's leading wine regions.

HOME BASE: Napa, California

ESTABLISHED: 1993

MISSION: We see as our mission the championing of a select group of uncompromising winemakers who give everything in their pursuit of truly distinctive, regionally defined styles that sit comfortably with the world's best. Our parameters are, simply, that the wineries we represent remain true to their regions and true to themselves.

OUR PORTFOLIO: Our wine cellar, while anchored in Australia, boasts 167 different wines from 26 applauded winemaking regions across the globe. Our 24 winemakers travel home to one of five countries (AU, FR, IT, NZ, USA), so from Hunter Valley Semillon to Napa Valley Cabernet Sauvignon, we have it expertly covered.

HERITAGE ESTATES: ALL of our wineries are independently owned, one third are family owned and operated, and one in four are multi-generational.

GREEN GROWERS: 4 of our wineries are certified as either organic or biodynamic in their practices, and we have 46 wines that are produced to these standards.
