

2018 KILIKANOON KILLERMAN'S RUN CABERNET

Review Summary

91 pts “Mulch, mint, cassis, bayleaf and a whiff of graphite. Honest to region and variety. A bit shrill on the finish, but this range smacks of honesty and value.”

90 pts “An open-knit Cab, this presents aromas of cherry chocolate and raspberry with gentle savory spice and florals. It’s medium weight, with appealing tart red-berry flavors tucked into savory, drying and somewhat harsh tannins. Nevertheless, this is a solid example of modern Clare Valley Cab at an affordable price.”

90 pts “Bright redcurrants, raspberries and flowers abound, as well as leafy and lighter herbal notes. The palate has a juicy and fresh core of red-berry flavors and delivers an elegant and vibrant finish.”
