

2018 ROBERT CRAIG MOUNT VEEDER CABERNET SAUVIGNON

Review Summary

95 pts “The 2018 Cabernet Sauvignon Mount Veeder comes from the Amentet Vineyard and is 90% Cabernet Sauvignon and 10% Cabernet Franc. Its deep purple/blue color is followed by a powerful, structured wine that gives up beautiful black and blue fruits, notes of graphite, crushed rock, lavender, and tobacco, a medium to full-bodied, concentrated mouthfeel, and a great finish.”

95 pts “The 2018 Cabernet Sauvignon Amentet Vineyard is a heady, explosive Mount Veeder wine. Iron, sweet red cherry, mint, dried flowers, licorice, mocha and rose petal all grace this wonderfully expressive, nuanced Cabernet. Best of all, the 2018 won't need more than a few years in bottle to be approachable. It's a gorgeous wine, that much is clear. The best is yet to come. Drinking window 2025-2038.”

94 pts “A perfumed nose of blackberries, plums, dried thyme, sandalwood and cloves. Full body with ripe, polished tannins. Rich and smooth with a deep core of dark fruit. Dark chocolate and walnut notes on the delicious finish. Drink or hold.”
