

2021 KILIKANOON MORT'S BLOCK RIESLING

Review Summary

94 pts “Bright, fresh lime and apple, as well as fresh white florals. This is very pure. The palate has a very fine, fresh feel with intense lime and apple flavors on offer. Fine, talc and chalky finish.”

93 pts “This is fascinating - it is savory and tart, with brilliant clarity and drive across the palate. It runs in undulating rivulets of flavor in the mouth, showing green apples, salted preserved lemons, pink grapefruit zest, fresh shaved fennel and juniper berries. Jasmine tea tannins course through the finish, giving shape and rise to the fruit. Very smart - not a plump crowd-pleaser, but a serious wine.”

92 pts “Expressive nose of lemon curd, wax, talcum powder and dried jasmine with herbal nuances. Textured and layered on the palate.”
