

**2021 DEVIL'S CORNER
CHARDONNAY**

Review Summary

Devil's Corner
T A S M A N I A

92 pts “Fresh and light, but not shy on intensity. A touch of toasted sesame seed, fresh grated ginger and salted melon flavors add complexity to the core of citrus and ripe stone fruit flavors. Vibrant, mouthwatering acidity weaves in and out, highlighting all the details.”

88 pts “In contrast to the delicacy of Devil's Resolution Chardonnay, this bottling is quite a blousy, rich style. It leads with aromas of peach, orange and lemon sherbet, backed by cream and toasty oak. The palate offers mouthwatering acidity and creamy texture with a lick of oak and a lemony finish. Still young and a little on the clunky side, this is likely to improve with another year or two in bottle.”
