**CABERNET SAUVIGNON**  
**2018**

“This has pomegranate, red licorice and peppered raspberry. The fruit flavours, while slinky and seductive, are not the major player here. And that is saying something. The key to the brilliance of this wine is the texture. The tannins. They are tightly woven, very fine. This wine is built on a stable scaffold of tannin that both cushions the experience and defines it. What a wine.”
