

2019 LEEUWIN ESTATE SIBLINGS SHIRAZ

Review Summary

93 pts "Glossy, vibrant and super-juicy, this is routinely a wine that over-delivers in the pleasure stakes, while asking very little in return – \$24 is blistering value. From a house that takes shiraz seriously, and seriously doesn't over-handle or over-oak it (thank goodness), this cool-vintage iteration has every bit as much plump and plushness as the previous vintage, and no doubt the 2020 to follow will be in the same vein. It's a no-brainer."

91 pts "A charming nose of cracked white and black pepper, rosemary and fleshy plums. Medium-bodied with velvety tannins. Crunchy and spice driven with the peppercorn character expanding on the palate and running the length of the wine. Fresh and seriously tasty. Drink now. Screw cap."

"Deep crimson. Ripe red fruit plus black pepper. Polished tannins – not that far from a fine Côte Rôtie! Richard Hemming MW would love this... So clean and fresh."
