Chambers Rosewood
RUTHERGLEN MUSCAT

"Chambers is a benchmark producer of the Rutherglen style and this late-picked Muscat offers a burnt-orange-sunset hue in the glass, with a green rim. Evoking enticing aromas of orange marmalade, honey, medjool dates and almond blossom, the palate continues along similar lines. Unctuous and intensely sweet, there's just enough acidity keep this from syrup territory. It would benefit enormously from a creamy, salty cheese pairing."
