Leeuwin Estate
ART SERIES
SHIRAZ
2019

“Leeuwin Estate is investing heavily in Shiraz and it shows. [They’ve produced] a vibrant, mid-weight style with riffs of spicy szechuan, fragrant white pepper, clove and violet to the firm red currant and cherry core; contrapuntal, creamy blackberry and crunchy pomegranate lend tension and twang. Fine-grained tannins and subtle oak, fruit and fresh acidity assert its cooler climate credentials.”
