Devil's Corner
TASMANIA

WINEMAKER: Joel Tilbrook & Tom Wallace
REGION: Tasmania
VARIETALS: Pinot Noir
MATURATION: 100% French oak (19% new)
ANALYSIS: 13.0% alc/vol | 6.1 g/L TA | 3.45 pH

CLIMATE: The East Coast of Tasmania exhibits classic cool climate with cold nights and warm, mild days. The nearby maritime influence provides valuable protection from extreme weather, reducing risk of destructive frosts in the growing period. Generally, the weather runs from the west leaving Devil's Corner's vineyard in a rain shadow for much of the year allowing for near perfect growing conditions.

WINEMAKING: The 2019 vintage was close to ideal with solid yields of intensely flavored berries. The grape clusters were harvested in the cool of the morning, then 10% whole bunches and 90% whole berries were gently crushed. The must was left to cold soak with twice daily plunges until the indigenous yeast fermentation began. Plunging increased to six times a day until the wine was basket pressed off in batches. The wine was then settled and transferred to French oak of which 19% was new. Vegan-friendly.

TASTING NOTES: Over the years, Devil's Corner has identified certain blocks in their Hazard Vineyard that have an extra level of concentration or complexity in the fruit for the Resolution Pinot Noir. Typically a blend of six core Pinot Noir clones half of which impart generous, fleshy characters and the balance is lighter in style. Aromas of black cherry and hints of cedar followed by a juicy fruit driven middle palate with a crisp savory texture and fine grained tannins.
