

TASMANIAN CHARD

Devil's Corner RESOLUTION CHARDONNAY 2020

Lifted aromas of peach and pear with defined elegant oak. A bright and complex palate with crisp acidity that provides freshness and excellent persistence of flavor. Praise for the last vintage: "Prickly and piercingly lemony right to the finish, but with textural richness amidst the rapier acidity. A dusty stoney note lurks in the shadows. Classy modern Chard that'd be a knockout with grilled white fish.
