

2019 TAMAR RIDGE PINOT NOIR

Review Summary

95 pts “Typical deep color; a highly expressive and fragrant bouquet of spiced plum, forest floor and charcuterie lays down the path for the palate, with whole-bunch savory notes alongside a rich core of juicy plum and berry flavors. Great value.”

91 pts “Very bright, medium purple/red colour, young and vibrant, which also describes the aroma, loaded with sweet raspberries and strawberries, fairly straightforward, while the palate is bright and firm and seems young for its age, with lively acidity and a slight impression of austerity. It has a decidedly 'cool' feel, and would go best with food.”

90 pts “Vibrant and fruity, this Tassie Pinot gives fresh, crunchy vibes. Strawberries and cherries lead with some stalk, spice and wet stone minerals at the back. Youthful and light-bodied, the fleshy, tart red cherry fruit adds some texture, tugged gently by spicy tannins. The slightly astringent finish falls away quickly. A modern Pinot for drinking now.”
