

2021 INNOCENT BYSTANDER PINK MOSCATO

Review Summary

89 pts: “Fun, aromatic and easy drinking, with candied strawberry bubblegum, orange blossoms, peach preserves and spiced baked apple on a round, supple frame. Reveals a fresh note of fizz. Drink now.”

89 pts: “It’s one of the fruitiest and most approachable styles around, never fails to delight. Sweetly floral with a welcome low level of alcohol, meaning that whatever the time of day, it’s sublime! With a bowl of freshly picked strawberries it has to win the award in this selection for ‘the most fun’ bottle. Sparkling and exuberant, it’s a cool-climate gem that’s dangerously drinkable. A world of fruitiness, serve it as an alternative at your next barbecue.”
