

## Sonoma Chardonnay

Single Vineyard Source

### Robert Craig Winery GAP'S CROWN VINEYARD CHARDONNAY 2022

Revel in this racy Sonoma gem, a Chablis-like Chardonnay souced from a private vineyard in the Petaluma Gap, and handled expertly by the team at Robert Craig, as they have for years. Light citrus and floral notes lead to a fine minerality and restrained acidity thanks to the chalky soils of the vineyard.

Exclusively Imported by
