

2017 JOHN DUVAL

INTEGRO CABERNET SAUVIGNON

WINEMAKER: John Duval
REGION: Barossa, South Australia
VARIETALS: Cabernet Sauvignon (90%), Shiraz (10%)
MATURATION: 18 months in 100% French oak hogsheads (50% new)
ANALYSIS: 14.0% alc/vol | 6.12 g/L TA | 3.58 pH

VINTAGE: The 2017 vintage year was defined by above average preceding winter and spring rains which restored sub soil moisture levels and replenished dams on the vineyard site. Generally milder summer conditions and cooler than average temperatures through the ripening period delayed harvest of the Cabernet until 17th April.

WINEMAKING: The Cabernet Sauvignon was sourced from a single vineyard site to the east of the township of Springton. Best estimates put the earliest planting date of the Cabernet vines at this vineyard in the 1890s, making these some of the oldest Cabernet vines still on their own roots anywhere in the world. The Shiraz component is a blend from exceptional old vineyards from the Barossa Valley. The Cabernet and Shiraz components were fermented separately for 8 days on skins in small open-top stainless steel fermenters with twice daily pump overs. The Cabernet was aged in a mix of new (50%) and 3rd use (50%) French oak hogsheads for 18 months. The wine was then blended with the Shiraz component and bottle aged for 2 years before release.

TASTING NOTES: The nose shows lifted dark plum and blackcurrant, bay leaf and clove. The palate is alive with a vibrant array of intense blue fruit and blackcurrants supported by an elegant framework of poised and precise tannins. Deceptive depth and power all tightly packed and wound up ready to unfurl over many years, finishing long and pure.
