

2018 BROKENWOOD OAKY CREEK SEMILLON

Review Summary

BROKENWOOD
HUNTER VALLEY

95 pts “This is a stunning young sem. Young, fresh, classic and with bright citrusy acidity. Brilliant balance. Youthful certainly, but with a supple, gorgeous texture. Real intensity. There are oyster shell notes here and such length. A scrooge might knock it back a point or two for its youth, or possibly leave room for future increases, which seems the wiser course of action. For me, 95, which leaves room.”
