

## 2021 BROKENWOOD GRAVEYARD SHIRAZ

### Review Summary

BROKENWOOD  
HUNTER VALLEY

**98 pts** “It’s a lovely wine managing to look great in this year, and doubtless will in 20, 30 or 40 years’ time too, take your pick. It has a complex bouquet, with some oak nuances in the backdrop, its masterful control of tannins is one of its secrets, red fruit joining the usual black and purple to complete the tale.”
