

Single Vineyard

Hunter Valley, Australia

Brokenwood OAKY CREEK VINEYARD SEMILLON 2018

This vineyard's composition provides a combination of free draining alluvial-over-clay soil with a gentle easterly facing rise, providing perfect growing conditions for Semillon. With no oak or malolactic ferment, this 5-year old is drinking superbly, with lifted aromas of citrus and lemongrass, and hints of beeswax and brioche beginning to develop. An outstanding mid-term Hunter Valley Semillon!
