

## 2022 d'ARENBERG THE DRY DAM RIESLING

### Review Summary

**91 pts** “The fruit for the 2022 The Dry Dam Riesling is from both McLaren Vale and the Adelaide Hills. In the mouth, the acidity is like a defibrillator—it jolts awake the palate and throws the sweet fruit into the spotlight. Lovely, uncomplicated, summer Riesling. A lot of pleasure here.”

**90 pts/Best Buy** “Lime juice and white flowers etched in honey open this bone-dry Riesling. There's racy acidity and a tingly, lime-flecked finish. An opulent style by Aussie standards, this makes a strong match with spicy southeast Asian fare.”

**90 pts** “Offers lanolin and beeswax notes that add an appealing savoriness to the core of pear, yellow apple and nectarine flavors, while mango and candied ginger accents linger on the finish. Drink now.”
