

2019 GREYWACKE CHARDONNAY

Review Summary

GREYWACKE

93+ pts “The 2019 Chardonnay leads with a spicy, savory nose of salted ripe yellow peach, preserved citrus, crushed rocks and wet limestone. In the mouth, the wine is fulsome and complete, with wall-to-wall flavor that lingers after the wine is gone. There’s something obvious about the Mendoza clone flavors, but I’ll admit I like it very much. Good wine here.”

93 pts “Flint, burnt lemons, peaches, mango stones and white tea. Textured and complex with beautiful minerality and phenolic bite. Dense and full-bodied with a restrained feel. Drink or hold.”

92 pts “The 2019 Chardonnay is full, firm and serious. It is savory in its youth with fine toasty and smoky bacon notes overlying the subtle fruit flavors. It is not a shy and retiring Chardonnay.”
