

2020 LEEUWIN ESTATE SIBLINGS SHIRAZ

Review Summary

92 pts "Maybe it's the juiciness or the savory nuances interspersed with plump fruit, or maybe it's simply a delicious, well-composed drink. Well, it's all that and more. Fuller bodied but not weighty with ripe, grainy tannins and lots of appeal - including value."

91 pts "A charming nose of cracked white and black pepper, rosemary and fleshy plums. Medium-bodied with velvety tannins. Crunchy and spice driven with the peppercorn character expanding on the palate and running the length of the wine. Fresh and seriously tasty. Drink now."

"Deep crimson. Ripe red fruit plus black pepper. Polished tannins - not that far from a fine Côte Rôtie! Richard Hemming MW would love this... So clean and fresh."

89 pts "Juicy and fresh, with blood orange, raspberry and maraschino cherry flavors and accents of clove, rosemary and cedar details. Synchronized on the finish. Drink now."

88 pts "Succulent black cherry, plum, mint and licorice take the lead, with a lick of toasty oak influence taking back up. Powerful, chalky tannins cinch the tongue, but the juicy, tangy fruit holds its own."
