

2021 INNOCENT BYSTANDER PINOT GRIS

Review Summary

91 pts/Best Buy “Delicate ginger, lime, green apple and white floral aromas open. There’s similar subtlety on the palate with lovely mouthwatering acidity and white peach and lime granita flavors. This is a well-crafted, food-friendly Pinot Gris at an everyday drinking price.”

90 pts “It makes its case with the first sip: a generous pear-accented palate that has the cool-climate stamp of crisp, cleansing acidity.”

89 pts “Packs a vibrant, juicy thread that amplifies flavors of tangerine, peach and a drizzle of honey, with apricot, lemon zest and a touch of marzipan on the finish. Drink now.”
