d'Arenberg
THE BROKEN FISHPLATE
SAUVIGNON BLANC
2023

"So, you take Sauvignon Blanc from the Adelaide Hills and then add a neat twist with a small amount of barrel fermentation to add texture and complexity. It works so well with the creamy nuttiness of the barrel influence complementing the more vibrant tropical notes of the savvy. Beautiful mouth feel with an extended finish and excellent current drinking."

*Ray Jordan, The Wine Pilot
November 2023*
