

## 2021 GREYWACKE CHARDONNAY

### Review Summary

GREYWACKE

**95 pts** “The 2021 Chardonnay leads with a nutty, spicy nose, loads of savory curry leaf, a nice flinty reduction and crushed nuts. It’s a brilliant wine with lovely flow. Superb. A mix of Mendoza clone and 95, it was pressed to barrel with 100% solids. This was tasted with Kevin Judd at Greywacke in September 2023.”

**94 pts** “Expressive and intense minerality of sea spray and flinty aromas followed by lemon zest, apple blossoms and almonds with a hint of dried tea leaves. Medium-bodied, crisp acidity. Piquant and tangy finish. Many interesting savory layers. Drink or hold.”
