Clos Cantenac
Clos Cantenac
Grand Cru
2019

"Wild purple flowers and black fruits on the nose, so softly perfumed, very attractive. Succulent and supple on the palate, really very juicy strawberry, blueberry and black cherry fruit with a vibrancy to it underpinned by fine but expansive tannins that fill the mouth. This has a great overall weight and mouthfeel, everything in balance with high acidity giving it a fresh and playful aspect."
