

2019 CLOS CANTENAC Saint-Emilion Grand Cru

Review Summary

92-94 pts “This instantly displays commendable breeding on the nose thanks to its detailed scents of black cherries mingling with pressed iris and allspice. The palate feels cohesive and prioritizes elegance over horsepower. Modest grip with cracked black pepper and dark chocolate surface alongside black plum and salted licorice towards the persistent finish. This is the finest Clos Cantenac that I have encountered from barrel.”

91-93 pts “This wine is made from 100% Merlot and is aged in French oak barrels, 40% new, for 12 months. The 2019 Clos Cantenac comes galloping out of the glass with bold, energetic scents of baked black cherries, mulberries and crushed blackberries plus hints of menthol, chocolate box, pencil lead and forest floor. The medium to full-bodied palate is laden with juicy black fruit, framed by rounded, approachable tannins and bags of freshness, finishing long and graceful.”

93 pts “Wild purple flowers and black fruits on the nose, so softly perfumed, very attractive. Succulent and supple on the palate, really very juicy strawberry, blueberry and black cherry fruit with a vibrancy to it underpinned by fine but expansive tannins that fill the mouth. This has a great overall weight and mouthfeel, everything in balance with high acidity giving it a fresh and playful aspect. Soft spices - cedar and clove come in towards the end providing structure. So appealing and very drinkable. I love it.”
