

2021 PENLEY ESTATE TOLMER CABERNET SAUVIGNON

Penley.

Review Summary

94 pts/Editors' Choice "Packed with aroma and flavor evoking red-currant cordial, cedar, olive tapenade and bay leaf, this lucid, savory Cab offers lovely freshness and complexity with distinct textural elements and dusty, powerful tannins. It captures the essences of Coonawarra, while still being an approachable, modern style at an everyday drinking price."

88+ pts "The vibrant 2021 Cabernet Sauvignon Tolmer initially delivers inviting aromas of fruit pastilles with strong green herb undertones. It's then bold and surprisingly firm. Tannins are pronounced over layers of cassis and earth but with appreciable concentration underneath. It just needs some time to soften and come into better balance."
