

2021 d'ARENBERG THE STUMP JUMP WHITE

Review Summary

90 pts BEST BUY "There's lots happening on this aromatic, crowd-pleasing white blend. Aromas of lamp oil and flint fill the senses first, followed by apricot kernel, waxy lemon and a hint of ground ginger. The palate is slightly waxy in texture, which plays nicely with tongue-tingling acidity. A lemon zest flavor lingers on the finish."

89 pts BEST VALUE "Tangy and aromatic, with a whiff of lanolin and beeswax adding a savory detail to the core of peach, dried apricot and pineapple flavors. This fleshy, juicy white shows honeysuckle accents on the finish. Riesling, Marsanne Sauvignon Blanc and Roussanne. Drink now. 3,000 cases imported."
