

2022 MAISON L'ENVOYÉ STRAIGHT SHOOTER PINOT NOIR

Review Summary

87 pts “The Straight Shooter hits the mark with its aromas of smoked cherries, barbecued pork and damp modeling clay. The second shot is a bit off, as the tannins already feel integrated and the wine’s acidity is as light as its mouthfeel. Flavors of cherry pipe tobacco, wet rocks and raspberry fruit leather, however, work nicely together.”
