

2021 ROBERT CRAIG AFFINITY CABERNET SAUVIGNON

Review Summary

92+ pts “The 2021 Cabernet Sauvignon Affinity is mostly Howell Mountain fruit in this vintage, which elevates its quality but also makes it more difficult to enjoy young. Dark fruit, lavender, spice, menthol and licorice power through this deep, forbidding wine. This big, brooding Cabernet is built for cellaring. Give it plenty of time in decanter before enjoying.”
