

2021 ROBERT CRAIG MOUNT VEEDER CABERNET SAUVIGNON

Review Summary

96 pts “The 2021 Cabernet Sauvignon (Mt. Veeder) is superb. It captures tons of Veeder character in its savory/mineral intensity and dark fruit. Purplish fruit, blood orange, pomegranate, dried herbs, mint and wild flowers all build as this potent, driving, vivid Cabernet builds in the glass. This is lights out.”
