

## 2023 KILIKANOON MORT'S BLOCK RIESLING

### Review Summary

**93 pts** “From older vines off the Mort Block. This is tightly packed riesling, concentrated and super, extra lemon-limey, a racy number with high refreshment factor and stacks of get up and go. Good perfume that delivers all that citrus but quite a lot of florals in jasmine and lemon blossom too. A little chalkiness to the texture is also a treat. Finishes long, fine and squeaky, with near eye-watering briskness of minerally acidity. Hits the spot.”
